

Big Finca Plot in Guia de Isora

650 000 €

Ref.	D1295
Location	Guia de Isora
Property type	Land
Storeys	2
Plot size	40000 m ²

FRINA Tenerife is happy to offer this Big Finca Plot in Guia de Isora. The finca is in Tenerife South at approximately 350m from sea level.

The Big Finca Plot takes advantage of one of the best climates in the island. The temperature is warm and pleasant, between 20 and 30 degrees during all the year.

Plot and Premises

The Big Finca Plot is 40.000m², it has direct access to the Autopista and it is 18km far from the touristic area of Playa de Las Americas.

Today there are a 35m² irrigation warehouse and a 65m² supply storage (convertible in housing)

Cultivation and Facilities

Thanks to the climate and altitude you can grow every kind of culture. All crops are under mesh winterers and drip irrigation installation. The Big Finca Plot has drinking water supply and has a connected electrical network.
